

## **North American Sustainability Scholars Application**

*TO: Applicants for North American Sustainability Scholars Program:* For a complete application, please attach a one-page narrative to this form which describes why you are interested in this program, how it will benefit you academically and/or professionally and the skills that you would bring to the program as a North American Sustainability Scholar.

Also, please request a letter of recommendation from a faculty member who can comment on your academic ability and preparation for study abroad.

For students interested in study in Mexico, you will need to demonstrate intermediate level Spanish proficiency. The Program Director will contact you to arrange for language testing.
